

Fire Protection Designer or Engineer

Dean & Allyn, Inc. is a family-owned professional fire protection contractor based in southern Maine. We have installed the highest quality systems in Maine and New Hampshire for over 25 years. We take pride in attracting, employing, training and retaining the best workers the fire protection industry has to offer. As a growing company we are searching for driven, knowledgeable and efficient individuals to join our team and collaborate on projects ranging from residential homes to nuclear power plants.

A fire protection designer or engineer uses HydraCAD to prepare layouts of sprinkler systems, detail drawings & diagrams. Details prepared by designer include all views and dimensions necessary for the installation of a code compliant fire protection system. Individuals should be able to make decisions and problem solve with project managers/field team. The requirements listed below are representative of the knowledge, skill, and/or ability require for this position:

Responsibilities:

- Prepares code-compliant fire protection drawings for AHJ approval and installation
- Coordinates with other trades
- Visits job sites to survey conditions and improve design
- Performs hydraulic calculations
- Produces stock list for material required throughout job progression
- Creates project submittal packages for owner/architect review
- Attends pertinent construction meetings during progress of project
- Develops positive relationships with coworkers and customers

Qualifications:

- NICET certification III, IV or Fire Protection Engineering Degree
- Proficient understanding of NFPA 13 & related codes
- Thorough knowledge of HydraCAD programs
- Ability to perform work in a timely and proficient manner
- Detail-oriented and organized
- Strong communication skills

Job Type: Full-time

Schedule: 8hr day shifts, Monday-Friday

Salary: \$32-48 per hour (based on ability and experience)

Sign on Bonus: \$5,000.00

Benefits:

- Medical & Dental Insurance
- Paid Holidays
- Paid Time Off
- Paid Sick leave
- Disability Insurance
