

# Maine Fire Sprinkler Inspector

Dean & Allyn is a family-owned fire protection contractor based in southern Maine. Our team has installed the highest quality systems in Maine and New Hampshire for over 28 years. This is an opportunity to work on a wide variety of residential and commercial projects throughout the region. Successful candidates will have their Maine State Fire Sprinkler Inspection License or achieved a minimum of NICET II in Inspection and Testing of Water-Based Systems.

Our average employee tenure is over 11 years. Benefits include flexible hours, paid holidays/vacation, and medical/dental/disability insurance.

**A \$5,000 sign-on bonus will be paid at the conclusion of 90 days of excellent employment. Hourly rate is \$38-\$46 an hour based on experience and skill.**

Responsibilities:

- Perform proper code driven inspection, testing, and maintenance of fire protection systems.
- Provide detailed reports on deficiencies & findings.
- Maintain, schedule, and complete inspections on time.
- Overnight travel may be necessary.

Qualifications:

- State of Maine Fire Sprinkler Inspector License (required)
- Excellent communication skills
- Great working relationship with co-workers, managers, customers, and code officials
- Able to pass a drug screening, background, and driver's license check

Dean & Allyn, Inc. is an Equal Opportunity Employer.
