

Local 669 Sprinkler Fitter Apprentice

Dean & Allyn, Inc. is a family-owned professional fire protection contractor based in southern Maine. We have installed the highest quality systems in Maine and New Hampshire for over 25 years. We take pride in attracting, employing, training and retaining the best workers the fire protection industry has to offer. As a growing company we are searching for driven, knowledgeable and efficient individuals to join our team and collaborate on projects ranging from residential homes to nuclear power plants.

Our sprinkler fitter apprenticeship is a five-year program with on-the-job training and online course correspondence through a national university. Individuals are eligible to become a member of the Local 669 union including full insurance benefits and pensions after joining the apprenticeship program and completing a probationary period.

An apprentice is paid a percentage of the sprinkler fitter journeyman wage. Every six months the apprentice's records are reviewed to make sure there is satisfactory progress, both in the field and in training courses. Satisfactory progress leads to advancement to the next classification and a wage increase until the five-year program is complete and the individual graduates to Journeyman status. If individuals have completed college courses, a military background, or experience/background in another field, they may receive credits that will advance their coursework and hourly wage.

Qualifications:

Applicants must be organized, professional, self-motivated, mechanically inclined, work well under pressure, and have excellent communication skills. Applicants must be at least 18 years of age, have a High School Diploma or GED, a valid driver's license, and a clean driving record. They must be physically able to perform manual labor and be comfortable with ladders and lifts. Reliable transportation is necessary.

Application for employment may be pick up at the office located at 116 Lewiston Road Gray, Maine or downloaded online at www.deanandallyn.com
